PROGRAM GUIDE

2026

houstonconciergemedicine.com

Concierge medicine offers a personalized approach to your health providing you with a focus on preventive care.
With a limited number of patients, our concierge practice ensures you receive the time, attention, and continuity you deserve whether it's same-day visits, timely communication, or a deeper relationship with your doctor.
It's healthcare that fits your lifestyle, centered around convenience, trust, and exceptional care.

Experience Healthcare Designed **Around You**

At Houston Concierge Medicine & Wellness Center, our primary care doctors are dedicated to providing you with the quality healthcare that you deserve. Meeting patients' expectations should be the hallmark of any outstanding health care program and our goal is to exceed your expectations. We understand that staying well is something that happens most effectively in a partnership between patients and their team of healthcare providers.
